

Pass At Me (feat. Pitbull)

Timbaland

(Timbaland, David Guetta, Mister World Wide, Here we go!)Everybody goes dance floor and give it up

Baby put it down and give it up

Nigga, set the floor and take it up

Baby, put it down and give it upEverybody goes dance floor and give it up

Baby put it down and give it up

Nigga, set the floor and take it up

Baby, put it down and give it upSo listen a couple girls

Who was in and now I mess with cover girls

Of magazines, you can catch me on a cover, girl

I created my own planet to hover the earth and cover the world

I spit so sick, I'm calling the world

I see you tryna claim her now I play with her pearls

They try to come at me but all of 'em sterile

Life's a bitch, but I made her my girl

Now she does what I say, does what I please

No she's not religious but she lives on her knees

Jack and Jill went up the hill

Each with a buck and a quarter

Jill came back with \$2.50

What a working girl!

Now work it, girl! LikeUh uh uh, ah ah

Uh uh uh, ah ah

Like uh uh uh, ah ah

Uh uh uh, ah ahHey girl, I like to do it, but when I do it, oh oh my God

Hey girl, I like to do it, but when I do it, oh oh my God

Oh oh my God, oh oh my God, oh oh my God, I like to do it

I love when you make a pass at me, a pass at me

I love when you make a pass at me, a pass at meI love when I see your pretty ass on the floor

I like when I see you break it down like you in controllI've got a cup to my right and a cup to my left

I'm stumbling and I'm out of breath

'Cause I'm g-g-g-g-ggg-gone

'Cause I'm g-g-g-g-ggg-gone

I got a girl to my right and a girl to my left

The one in the middle and I'm feeling on her breasts

'Cause I'm g-g-g-g-ggg-gone

'Cause I'm g-g-g-g-ggg-goneHey girl, I like to do it, but when I do it, oh oh my God

Hey girl, I like to do it, but when I do it, oh oh my God

Oh oh my God, oh oh my God, oh oh my God, I like to do it

I love when you make a pass at me, a pass at me

I love when you make a pass at me, a pass at me
I love when you make a pass at me, a pass at me
I love when you make a pass at me, a pass at me
I love when you make a pass at me, a pass at me(A pass at me, a pass at me)
(A pass at me, a pass at me)Hey girl, I like to do it, but when I do it, oh oh my God
Hey girl, I like to do it, but when I do it, oh oh my God
Oh oh my God, oh oh my God, oh oh my God, I like to do it
Oh oh my God, oh oh my God, oh oh my God, I like to do it
