

# fitted shirt (live at the wireless)

## Spoon

When I was still growing up  
And dad head off to work  
He put coat and tie on  
Over fitted shirt Nothing else will fit right  
Or seems so directly applied  
Than fitted shirt hung on me  
Fitted shirt alright I long for the days they used to say  
Ma'am and yes sir  
For now I'm going to find  
Buttons for my dad's old used shirt Fitted shirt  
Fitted shirt Been looking so long now  
And no one's seen and no one heard  
But when I go out tonight  
I'm going to put on a fitted shirt One day it'll take  
And they'll start to make  
Shirts that fit right Till then I suppose  
I still got dad's clothes  
And that's alright Fitted shirt  
Fitted shirt Oh, fitted shirt  
Oh, yeah, oh, yeah  
Fitted shirt Fitted shirt  
Fitted shirt Fitted shirt  
Fitted shirt
