Santorini GoodbyeÂ

Goombay Dance Band

Bye, Santorini, goodbye
your golden sun will shine in my heart
your sweet island breeze
will sing through the trees
old island, goodbye
Bye, Santorini, farewell
beneath your skies my memories dwell
one day I'll return
my lesson I'll learn
I'm under your spell
one day I'll return
my bridges I'll burn
till then Santorini, goodbye
My ship is bound for sea
on board a lonely memory
of silent sands
deep blue lagoons
and golden strands.
Bye, Santorini, I know
each day my love for you will grow
no strength on this earth
could stop my rebirth
on your island shores
no troubles and strife
I'll start a new life
with you Santorini, I'm yours
Bye, Santorini, adieu
I'll be away a year and not more
I know I've done wrong
but it won't be long
til I'm back again
Bye, Santorini, goodbye
your golden sun will shine in my heart
your sweet island breeze
will sing through the trees
old island, goodbye
your sweet island breeze
will sing through the trees
good bye Santorini, goodbye.
