

Little Honda

Yo La Tengo

I'm gonna wake you up early 'cause I'm gonna take a ride with you
We're going down to the Honda shop, I'll tell you what we're gonna do
Put on a ragged sweatshirt, it'll take you anywhere you want me to
First gear, it's all right, second gear, hang on tight
Third gear, ain't I right? Faster, it's all right
It's not a big motorcycle, just a groovy little motorbike
It's more fun than a barrel of monkeys that two-wheel ride
We'll go on into the hills or anywhere you wanna decide
First gear, it's all right, second gear, hang on tight
Third gear, ain't I right? Faster, it's all right
We'll ride some hills like a champ because my Honda's built really light
When I go into the turn, lean with me, hang on tight
I think I'll put on the lights, so I can ride mine under the night
First gear, it's all right, second gear, hang on tight
Third gear, ain't I right? Faster, it's all right
First gear, it's all right, second gear, hang on tight
Third gear, ain't I right? Faster, it's all right
