

# Teenage Icon (Corona Music Live Acoustic Session)

## The Vaccines

Oh look at me, so ordinary  
No mystery with no great capabilities, but  
I could make out as if I had it, but you know  
God I'm so obvious and I should let it go  
Oh, I don't know, ooh I'm no teenage icon  
I'm no Frankie Avalon  
I'm nobody's hero Reserved and shy, your average guy  
No piercing stare, just out of shape with messy hair but  
I always figured I was somebody and wait  
And now I'm guessing that my moment must be late  
Cause I'm here, ooh I'm no teenage icon  
I'm no Frankie Avalon  
I'm nobody's hero I'm not magnetic or mythical  
I'm suburban and typical  
But I got it, I got it  
I'm over on with it all Seductive, charming way with words  
So effortless not leather clad or dangerous, but  
I always did it like a real rebel would  
I have a photo where John Lennon may have stood  
Or so I'm told, ooh I'm no teenage icon  
I'm no Frankie Avalon  
I'm nobody's hero I'm no teenage icon  
I'm no Frankie Avalon  
I'm nobody's hero
