

Shattered Pieces

Otep

And this is how the world died
And this is how the world died...i can hear you judging me.[I'll hear your confession]
I FOUND THE BEST PIECE OF ME[kneel down]
ALONE, SHIVERING IN THE DARK[place your face between my thighs]
3 CENTIMETERS TALL[& talk to God...]
EATING IT'S HEART
.. but you will not feast on me today.This is how the world died.WHO WILL SLAY THIS THING?
[i forgive you]WHO WILL PLAY THE BUTCHER & END MY SUFFERING?
[i forgive you]... I fucked the minds of the masses with the fingers of liberty.
THIS IS NOT A THREAT. [this is not a threat]I'm not perfect, I'm not a beauty queen, I'm just me.
[no one escapes this life alive]WE ARE ALL,
PRISONERS HERE.[all shapes & sizes]... I scream for all the women I've never been but I hoped I would be.
[i'm proud of who I am]FOREVER, CHASING THE SUN.
[i'm proud of me]... she bites her trembling mind.IT BEGAN AS ALL TRAGEDIES DO,
[forgive me, she's the one, forgive me]WITH PAIN & DECEPTION.... if you'll be the paper, I'll be the pen.
AND THIS IS IT .. [i've tasted hell, & it tastes just like you]
MY FINAL PLEA.NO ONE IS COMING TO SAVE ME.
NO ONE IS GOING TO CHANGE THINGS.THE ANSWERS WILL NOT DROP FROM THE SKY.
I WILL NOT ONEDAY WAKE WITH A DIFFERENT DISGUISE.THE ONLY SOLUTION ... IS
REVOLUTION.[art is war ... fight, fight]
[[pain makes me safe]].. the odds were always against me.
[lose weight/clearly think]I EXIST.
I AM BROKEN.I EXIST.
I AM BROKEN... if god is my father then I am an orphan.
I AM BROKEN.I'M NOT A MISTAKE
[my ancestry is a ghost story]I'M A PROPHECY
[my love life is a crime scene]I'M AN OMEN
[my self-esteem is a string of unsolved murders]THE RADIO IS BRAINWASHING ME,
FILLING MY HEAD WITH THESE SELF-CONSPIRACIES... I am an emotional nightmare ..I CAN'T HIDE
THE PAIN INSIDE
[builder of my own mythology]JUST TELL ME ... YOU'RE LISTENING.
