

Fucked Up Once Again

Flipper

Chorus:

Oh oh oh fucked up once again
No more rivers of blood
Taking over my dream of love
Feel a bit of poetry in my life
But it all could change in just one night
Chorus Reoccurring nightmares disturb
Everyone who let's them occur
The very same is true in life
So shed a little light to make it all right
Chorus Seems some lessons are not learned
Repeat the course or you'll return
Back to the part that was left out
Pieces of the part thrown all about
Chorus Looks messed up once more again
Can't cover it up won't pretend
Have to return to a new start
Pick another direction
Now comes the hard part
Chorus Fucked up never again
