

Flora

Beaty Heart

Your the only one I know, Flora
Who can lift me up, that's on for a while
Your the only one I know, Flora
Who can shake me when I'm low, and say get up
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
I'm not the only one alone, no
Trying to find a role, a heart
But I'm the only one you know, Flora
Who can shake you when you're low
And say get up
Get up
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
So I'll only be here, Flora, Flora
