Think

Aretha Franklin

You better think

(Think)

Think about what you're tryin' to do to me

Yeah, think

(Think, think)

Let your mind go let yourself be free

Let's go back, let's go back

Let's go way on way back when

I didn't even know you

You couldn't a been too much more than ten

(Just a child)

I ain't no psychiatrist

I ain't no doctor with degrees

But it don't take too much I.Q.

To see what you're doin' to me

You better think

(Think)

Think about what you're tryin' to do to me

Yeah, think

(Think, think)

Let your mind go let yourself be free

Oh freedom

(Freedom)

Say, "Some freedom"

(Freedom)

Oh freedom

Yeah freedom

(Yeah)

Oh now freedom

(Freedom)

Freedom

(Freedom)

Need you some freedom

Oh freedom, oh now

(Yeah)

Hey, think about it

You, think about it

There ain't nothin' you could ask

I could answer you with, I won't

(I won't)

But I was gonna change my mind if You keep doin' things I don't

(Don't)

You better think

(Think)

Think about what you're tryin' to do to me

Yeah, think

(Think, think)

Let your mind go let yourself be free

People walkin' around everyday

Playin' games and takin' scores

Tryin' to make other people lose their minds

Well be careful you don't lose yours

Oh think

(Think)

Think about what you're tryin' to do to me

Think

(Think)

Let your mind go let yourself be free

You need me and I need you

Without each other, ain't nothin' neither can do, oh

Oh yeah, think about it baby

(Whatcha tryin' to do me, think?)

Let it go baby, think about it right now

Yeah right now

(To the bone for deepness)

Right now

(To the bone for deepness)

Yeah right now

(To the bone for deepness)

I need to change your mind

(Think about it)

Baby baby baby
