Breaking Point

Screeching Weasel

do you ever shut up do you ever shut up why not gossip about martina hingis you can rhyme her name with cunnilingus "the u.s. open's a piece of piss when you're a little swiss miss" she's at break point this song's about my breaking point at the point of this break in the song why can't we all just get along like martina and her mom women tennis players aren't all dykes and so what if we're on fat mike's record label 'cause our cards are on the table and you can say that it's just a house of cards and we can say that you're just a bunch of retards but you know that the truth is that our hearts are in the right place you know we try hard we give it our best shot then we give up and go home
