

Surf Party

Chubby Checker

Cc hey
there's a surfin' party at the shore tonight
everybody's here
when i taught my baby and she's outta sight
yes she disappears
i see them surfin', twistin, lovin', kissin'
well i got nobody now to hold me tight
where in the world is my little girl
group surf party
cc come on come on
group surf party
cc dawn till dawn
everybody's groovin' and the mob is really movin'
at the surfin' party tonight
hey
(instrumental break)
hey
well i started searchin' over land and sea
where'd my baby go
and i know for certain that she's true to me
cause she told me so
i see them surfin', twistin, lovin', kissin'
she's still flirtin' with stagger lee
where in the world is my little girl
everybody

everybody's groovin' and the mob is really movin'
at the surfin' party tonight
