

Farewell and Goodnight

Rockabye Baby!

Goodnight to every little hour that you sleep tight
May it hold you through the winter of a long night
And keep you from the loneliness of yourself
Heart strung is your heart frayed and empty
'Cause it's hard luck when no one understands your love
It's unsung and I say
Goodnight my love to every hour in every day
Goodnight always to all that's pure, that's in your heart
Goodnight, may your dreams be so happy and your
Head light with the wishes of a sandman and a night light
Be careful not to let the bedbugs sleep tight
nestled in your covers
The sun shines but I don't a silver rain will
wash away
The sun shines but I don't a silver rain will wash away
And you can tell, it's just as well
And you can tell, it's just as well
Goodnight, my love, to every hour in every day
Goodnight, always to all that's pure, that's in your heart
