

# Whenever You Feel Like It

Kylie Minogue

Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it You're wild, you're crazy  
You're not like other people, baby  
You're a devil, you're a rebel  
That's why I need you baby For keeping my up all night  
For making me feel alright  
You march to the beat of your own drum baby  
You can come to me Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it You're dark, you're stormy  
You really do it for me  
I'm here, I'm waiting  
Use your imagination For keeping my up all night  
For making me feel alright  
You march to the beat of your own drum baby  
You can come to me Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it Your hearts beating with the rhythm of love  
Don't stop now I can't get enough  
My hearts beating me to death  
I can't catch my breath For keeping my up all night  
For making me feel alright  
You march to the beat of your own drum, yeah  
Come on, come on, come on Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it Whenever you feel like it  
Wherever you feel like it  
However you feel like it, I like it
