Down Human

Amen

Destroy, what I embrace
'Cause I am stuck to the walls and I piss for another taste
Pill just to cure from your imprisonment
And your incisionment to the'Cause I stranded, violated, hit, violatedDown in a home
Human hole
Bring down the human
Down in a home
Human hole
Bring down the humanBecause I sleep with these handcuffs on
And I piss with these handcuffs on
And I am locked and I belong and I belong
And I belong to no oneYeah
'Cause I'm stranded, violated, hit, violatedDown in a home
Human hole
Bring down the human
Down in a home
Human hole
Bring down the humanBecause I sleep with these handcuffs on
And I piss with these handcuffs on
And I am locked and I belong and I belong
And IBecause I can't wash this dress with blood and piss
Bring down the invalid human
Piss, drinking piss, feel like piss
Destroy, destroyYes I'm stranded, violated, hit, violated'Cause I'm down in a home
Human hole
Bring down the human
Down in a home
Human hole
Bring down the human
