May it always Be

Bonnie 'Prince' Billy

I've been with you for a fairly long time
May I call you, may I call you, may I call you mine?
And you are near and been with me
May it always, may it always, may it always bePlease dont leave my side, remember I love you
None of what I have done wrong was really done against you
If you love me and Im weak, then weaker you must love me more
To reinforce whats all so strong and all the love we have in storeBy example you showed me, livings alright
Stay here with me, stay here with me, stay with me tonight
And come with me when I go to the bedroom
And well play bride, and well play bride and well play bride and groomIf you had not been born you know
What would I? What would I be then?
I would not have strength to grow
And be counted, and be counted among menPlease dont leave my side, remember I love you
None of what I have done wrong was really done against you
If you love me and Im weak, then weaker you must love me more
To reinforce whats all so strong and all the love we have in storeAnd in the morning well wrestle and ruin our stomachs with coffee
Wont we be, wont we be, wont be happy?
We will rise in anger, love and ardor
Shining, shining, shimmering in love's armor
