

May it always Be

Bonnie 'Prince' Billy

I've been with you for a fairly long time
May I call you, may I call you, may I call you mine?
And you are near and been with me
May it always, may it always, may it always be Please don't leave my side, remember I love you
None of what I have done wrong was really done against you
If you love me and I'm weak, then weaker you must love me more
To reinforce what's all so strong and all the love we have in store By example you showed me, living's alright
Stay here with me, stay here with me, stay with me tonight
And come with me when I go to the bedroom
And we'll play bride, and we'll play bride and we'll play bride and groom If you had not been born you know
What would I? What would I be then?
I would not have strength to grow
And be counted, and be counted among men Please don't leave my side, remember I love you
None of what I have done wrong was really done against you
If you love me and I'm weak, then weaker you must love me more
To reinforce what's all so strong and all the love we have in store And in the morning we'll wrestle and ruin our
stomachs with coffee
Wont we be, wont we be, wont we be happy?
We will rise in anger, love and ardor
Shining, shining, shimmering in love's armor
