

# City Living

## Dinosaur Feathers

Wait I donâ€™t wannaâ€™ move out of here.  
As the sun grows long, my purpose is clear.

Oh, city living.  
My feelings are gone.  
But the strongest men are the ones who move on.

Wait, I donâ€™t wannaâ€™ move out of here.  
But as the sun grows long, my purpose is clear.

Oh, city living.  
My feelings are gone.  
But the strongest men are the ones who move on.
