

# Steel Tormentor

## Halloween

Headless  
Pullin' the machine down  
Comin' to the low sound  
Feelin' like a real man, yeahRacin'  
Flashin' from down under  
Flesh and blood and thunder  
Tremblin' wheel in cold hand, yeahFaster, much faster, ohh  
What a human speed disaster!  
Deeper, much deeper  
On to the void I cast'erI'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machineTurkey  
Near to devastation  
Losin' all my patience  
Cannot make this kit fly, yeahDanger  
Muscular contraction  
Out for satisfaction  
Solid intoxication, yeahNightride, it's nightride now  
Try to catch my tail lights  
So sad, I'm so sad  
But you won't ever suck my steel brideI'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machineI'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machineI'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machineI'm a  
WhaoI'm a steel tormentor
