Say La,la,la

Us5

[Jay:]I wanna know about her style
And I know what makes her wild
And in case you didn`t know by now
The bad boys comin'
There's no runnin'
[Chris:]U really got me sayin`la la
U know I'm creepin' from behind ya
Won't U let me take control
Cuz I just wanna feel your body
[Bridge:]Just shake it down cuz Ur movin'
Way to fast
You're takin' off like a rocket at
Full blast
Lookin' tight got me sayin' I like that
Girl U got the fellas sayin'`
[Chorus 2x:]Say La La La La
U got me goin' crazy today, you're
Playin' with my mind all the way
Hey Girl U wanna come out and play
(and all the boys say)
(OHHHS)
[Mikel:]She`s looking really hot like fire
She's everything that I desire
I love the way her booty rolls
She's got me fiendin' and
I'm just schemin'

[Richie:]If only I could make her mine
And have her hooked up on her line
Then we can keep it on a low
Cuz I just wanna rock that body
[Bridge:]Just shake it down cuz Ur movin'
Way to fast
You're takin' off like a rocket at
Full blast
Lookin' tight got me sayin' I like that
Girl U got the fellas sayin'`
[Chorus 2x:]Say La La La La
U got me goin' crazy today, you're

Playin' with my mind all the way
Hey Girl U wanna come out and play
(and all the boys say)
(OHHHS)
[C-Part:]U know she's looking really hot
She's working every bit she's got
I love the way her booty rolls
She's got me fiendin' and
I'm just scheming
How could one day make her mine
And have her hooked up on her line
Girl we can keep it on a low
Girl U got the fellas sayin'
[Chorus 2x][Chorus 2x]
