Justice

Let me tell you what I do when my day is over.
After picking the right clothes for about an hour.
Oooh, I'm turning orange from all the carats around my neck.
Tonight, I'm takin' out the bling and I'm dressed to impress.
Out on the streets all the taxis are showin' me love.
'Cause I shinin' like a princess, in the middle of thugs.
And at the clubs, the bouncers recognize my face.
So while you waitin in the line, we just enter the place.
Let's get this party started right,
Let's get drunk and freaky fly,
You with me so it's all right,
We gonna stay up the whole night.
Let's get this party started right,
Let's get drunk and freaky fly (ey-ey-ey-ey-ey-ey-ey-eyyyy)
I'm callin' all my ladies at the table 3.
Throwin' back a couple bottles and the tab's on me.
Havin' some giggles then we start to get crazy
Table dancin', smashin' glasses, it starts to get naughty.
Its time to show em' how we do on the floor
So while the DJ play my track I want my girls on the floor
I got the surround sound so why ya wanna see me fall?
I'm just tryin' to have a blast and I ain't takin' your call.
Let's get this party started right,

Let's get drunk and freaky fly,
You with me so it's alright,
We gonna stay up the whole night.
Let's get this party started right,
Let's get drunk and freaky fly (ey-ey-ey-ey-ey-ey-ey-eyyyy)
You know all the fliest ladies are on my team
And we know how to make that nice how to fuckin' scream
We gettin' ugly in the club, we look a little trashed
But all the ballers in the club know we got that class
I'm bringing the weirdest cool at the after party
Just got in the hotel room and this is gettin started
Better wake the fuck up cuz were not here to sleep
Uffie is hyped up in this bitch and I'm bangin' that beat
No you and you, c'mon lets take it to the next level.
Let's all go to the hotel pool as we finish the bottle.

Maybe kiss and don't tell, it's the rule around here.
You must have me under a spell I lose control when you're near.
Let's get this party started right,
Let's Get drunk and freaky fly,
You with me so its alright,
We gonna stay up the whole night. (x3)
Let's get this party started right,
Let's get drunk and freaky fly (ey-ey-ey-ey-ey-ey-ey-eyyyy)
