## DeVotchKa

she's a very kinky girl  
the kind you don't take home to mother  
she will never let your spirits down  
once you get her off the streets she likes the boys in the band  
she says that i'm her all time favourite  
when i make my move to her room it's the right time.  
she's never hard to please that girl is pretty wild now  
that girls a superfreak  
the kind of girl you read about  
in new wave magasin that girl is pretty kinky  
the girls a superfreak  
i really love to chase her  
every time we meet she's all right
