

# One Step Up

Kenny Chesney

Woke up this mornin'  
The house was cold  
Checked the furnace she wasn't burnin'  
Went out and hopped in my old Ford  
Hit the engine but she ain't a turnin'  
Givin' each other some hard lessons lately  
But we ain't learnin'  
Same sad story that's a fact  
Once step up and two steps back  
Bird on a wire outside my motel room but he ain't singin'  
Girl in white outside a church in June  
But the church bells they ain't ringin'  
Sittin' here in this bar tonight  
And all I'm thinkin' is  
I'm the same old story same old act  
One step up and two steps back  
It's the same thing night all night  
Who's wrong and baby who's right  
Another fight and I slam the door on  
Another battle and a dirty little war  
When I look at myself I don't see the man I wanted to be  
Somewhere along the line I slipped off track  
Movin' one step up and two steps back  
There's a girl across the bar  
I get the message she's sendin'  
Mmm she ain't lookin' too married  
Me, we well honey I'm pretendin'  
Last night I dreamed I held you in my arms  
The music was never endin'  
We danced as the evening sky faded to black  
Movin' one step up and two steps up  
(one step up and two steps back)  
One step up and two steps back  
(one step up and two steps back)  
One step up and two steps back  
(one step up and two steps back)  
One step up and two steps back  
Ohhh..baby we're movin'  
One step up and two steps back  
One step up and two steps back  
Mmm..one step up and two steps back  
(one step up and two steps back)  
(one step up and two steps back)
