Hypnotic

Painted Palms

Hypnotic - Painted Palms
And if you got a thing to say
Then say it now
Yeah, if you got a thing to say
Then say it now
And once the words are in the air
They can go round
Wish that they would just stay there
And fall out
If you got
If you got a thing to say
THEN SAY IT NOW
Everything was swiped away
SO SAY IT NOW
Watch all the words come out
Off your mouth
Watch them stretch and move around
To the ground
If you got
If you got
If you got
If you got
I feel like I can see everything from up here
ON MY CLOUD
And if you slow it down it can get so clear
SLOW IT DOWN
I feel like I can see everything from up here
ON MY CLOUD
And if you slow it down it can get so clear
SLOW IT DOWN
Down, down, down...
Feel like I can
Feel like I can
Feel like I can
Feel like I can
