Vitamin

The Sugarcubes

BjÃ¶rk
You convince me
That I am able
You make me strong
You're my vitamin

Einar
My pain is my pain
Your cure is vitamins

BjÃ¶rk
You're my sinking capsule
You're my vitamin...

Einar
I look at this pain of mine
I don't know what it is
You say I could have it easily
Fixed with some vitamins

BjÃ¶rk
Before the hair,
Before the skin,
You form a cell
You're my vitamin

Einar
My pain is my pain
Your cure is vitamins
If I try some of your pills,
Won't I have another pain?

(hurrah, hurrah!)

Einar
You show me off in all these parties
So very proud of me
Telling everybody there that
I am your little vitamin
You exit with me (? ?)

Like I was somebody
I am not your cure
To you I'm just another vitamin

Einar
I'm so confused
My pain is mine!
I don't know what it is
You say I can have it easily fixed
With some vitamins
My pain is my pain,
Your cure is vitamins
In all these fancy parties
I won't have another pain
As a payment?
You want all of me
'cause I am your final cure
Use some - show me off
