

# One Hundred Years From Now

## The Byrds

One hundred years from this day  
Will the people still feel this way?  
Still say the things that they're saying right now  
Everyone said I'd hurt you  
They said that I'd desert you  
If I go away, you know I'm gonna get back somehow  
Nobody knows what kind of trouble we're in  
Nobody seems to think it all might happen again  
One hundred years from this time  
Would anybody change their minds?  
And find out one thing or two about life  
But people are always talking  
You know they're always talking  
Everybody's so wrong that I know it's gonna work out right  
Nobody knows what kind of trouble we're in  
Nobody seems to think it all might happen again
