

Safe (In the Heat of the Moment)

Duran Duran

People say you've been around
How about you and me get down
How about you and me get down
Baby I know you've been around
 Unmake your bed
Don't think about what lies ahead
 Don't you wanna be misled
Don't you wanna be misled
 Seems a far-off day
When enough was never enough
 Vain
 How I played my hand
One more reckless man in the rough
 Strange
 How we explain
The story that we've lived through
 Change
 My karma train
The person I can be for you is Safe
(Safe, in the heat of the moment)
 A stillness that comes to me
 When I'm close to you
 Safe
(Safe, at the speed of atonement)
 A feeling that runs so deep
 That it scares me, too
 Dazed
 By my own escape
From the single state I was used to
 Face
 My catch twenty two
Can I stay this way if I choose to
 Wrong
 To be so contained
 Now I can't explain
 What is happening
 Strong
 Is the human chain
 As it pulls me through
What I bring to you is Safe

(Safe, in the heat of the moment)

A stillness that comes to me
When I'm close to you
Safe

(Safe, at the speed of atonement)

A feeling that runs so deep
That it scares me, too
Safe

(Safe, in the heat of the moment)

A stillness that comes to me
When I'm close to you
Safe

(Safe, at the speed of atonement)

A feeling that runs so deep
That it scares me, too(Fame
Seems a far-off day
When enough was never enough
Vain

How I played my hand

One more reckless man in the rough)Hook a finger wink an eye

Caresses running up your thigh
Scratch my surface dig in deep
There's always secrets left to keep
Safe not sound

Who made these rules

Crowd control for enlightened fools
So come on boy let's change the pace
Come, feel the chill of my embrace

People say you've been around
How about you and me get down
How about you and me get down
Baby I know you've been around

Unmake your bed

Don't think about what lies ahead

Don't you wanna be misled

Don't you wanna be misledSafe

(Safe, in the heat of the moment)

A stillness that comes to me
When I'm close to you
Safe

(Safe, at the speed of atonement)

A feeling that runs so deep
That it scares me, too
Safe

(Safe, in the heat of the moment)

A stillness that comes to me
When I'm close to you
Safe
(Safe, at the speed of atonement)
A feeling that runs so deep
That it scares me, too.
