

Go Deeper

[Lenka](#)

If you only scratches the sofa
Why you only live scars?
And only in darkness
Can you see the stars? Someone call the doctor
'Cause I can see in your eyes
All the deep is wild of wonder
Where the deep secrets high
Come on, let go We'll go go go go deeper
We've got to go
We'll go, you know we'll go deeper
And deep still
Still under all the lies
And we'll go deeper all the time Want you see the under?
Under need the moors
Oh, you only to under
You only need to ask
You know we've got to go
