

I Just Want to Celebrate

Rare Earth

One, two, three, four Yeah yeah
Yeah yeah
'Round, 'round, 'round, 'round
Yeah yeah I just want to celebrate another day of livin'
I just want to celebrate another day of life
Put my faith in the people but the people let me down
So I turned the other way and I carry on anyhow That's why I'm telling you
I just want to celebrate, yeah, yeah, another day of living, yeah
I just want to celebrate another day of life
Had my head on the dollar bill and the dollar bill flew away
But the sun is shining down on me and it's here to stay That's why I'm telling you
I just want to celebrate, yeah, yeah, another day of living, yeah
I just want to celebrate another day of livin', yeah
I just want to celebrate another day of life Don't let it all get you down, no, no
Don't let it turn you around and around
And around and around and around Five, four, three, two Can't be bothered with sorrow
And I can't be bothered with hate, no, no
I'm using up the time but feeling fine every day That's why I'm telling you
I just want to celebrate another day of livin'
I just want to celebrate another day of life Don't let it all get you down, no, no
Don't let it turn you around and around
And around and around and around and 'round
'Round, 'round Round, don't go round One, two, three, four I just want to celebrate
I just want to celebrate
I just want to celebrate
I just want to celebrate I just want to celebrate
I just want to celebrate
I just want to celebrate
I just want to celebrate I just want to celebrate
I just want to celebrate
I just want to celebrate
I just want to celebrate 'Round, 'round, 'round, 'round
