

50 Plates (feat. Rick Ross)

Rich Gang

Advisory - the following lyrics contain explicit language:

This the realest shit in the streets (Rich gang)
Untouchable empire
The only niggas breaking Backwoods was in the Bentley's baby, believe it
Let's get this motherfucking money (Rich gang) I'm down to fill this empty sacks
I'm down to fill this empty sacks
My little niggas gonna set me straight
My little niggas gonna set me straight
Trying to flip these 50 plates
It's time to flip these 50 plates
This little jewel gonna set me straight
This little jewel gonna set me straight Chrome wheels on my 68 (Rich gang)
Double M strong in fifty states (Maybach Music)
My Mexicans gonna get me straight
But that phone bill it can't be late
Six mil in that interstate (Huh)
I'm down to fill these empty sacks
Grinding nigga wanna beat this case (Boss)
Gun charge in New York state
Ho niggas up in my face
Painkillers take pain away, ra'
Them sticks come, they bang away, ra'
Bang, bang, bang anyway I'm down to fill these empty sacks (Huh)
I'm down to flip these 50 plates (Huh)
This little jewelery gonna set me straight
Swaloo come count this cake
Trying to flip these 50 plates
I'm down to fill these empty sacks (Huh)
My lil' niggas gonna get me straight
My lil' niggas gonna set me straight
I'm trying to flip these 50 plates
It's time to flip these 50 plates
This little jewelery gonna set me straight

This little jewelery gonna set me straightBig wheels on my big V8
Fuck with me you wanna get this cake
Diamonds fill my empty sacks
These hundred bills just made my day
Strip club is where we meet
Her big butt just how she eat
Them fuck niggas she know they fake
I'm in the club get to flip my plates
My lil' niggas gonna set me straight
My lil' niggas gonna set me straight
My Cuban plug he got that weight
Tell Swaloo come get this cakeI'm down to fill these empty safe
I'm down to fill my empty safe
My little niggas don' set me straight
These little niggas gonna set me straight
It's time to flip these 50 plates
I'm trying to flip these 50 plates
This little jewelery gonna set me straight
This little jewelery gonna set me straight
This little jewelery gonna set me straight
This little jewelery gonna set me straight
This little jewelery gonna set me straight
This little jewelery gonna set me straight (Huh) Maybach Music
