

# Leading Me Now

## The Tallest Man on Earth

By the eyes of the very young  
It's a sudden good attack  
On our weakness, my horse and I  
Carry anger forth and back  
But we'll make it somehow  
You have all what's mine  
And you are leading me now  
On the gallop to mother's field  
We would lose our breath and fight  
And you give me the look of thorns  
We give liars every night  
But I get you somehow  
Leave the reins inside  
You are leading me now And every time we wonder  
What we left back in your hearts  
Could you see we're dreaming  
Though our minds just fall apart  
But we will end up somehow  
With a peaceful mind  
And you are leading me now  
To the site where I flew from you  
When your pace just scared me blind  
We will come back and joke of days  
When I sold you to the unkind  
We will end up somehow  
With a peaceful mind  
And you are leading me now
