

The Hamilton Polka

"Weird Al" Yankovic

How does a bastard, orphan, son of a whore and a
Scotsman, dropped in the middle of a forgotten
Spot in the Caribbean by providence, impoverished, in squalor
Grow up to be a hero and a scholar?
The ten-dollar Founding Father without a father
Got a lot farther by working a lot harder
By being a lot smarter
By being a self-starter
By fourteen, they placed him in charge of the trading charter
Alexander Hamilton
My name is Alexander Hamilton
And there's a million things I haven't done
But just you wait, just you wait
Wait for it
Wait for it
Wait for it
Wait for it
I am the one thing in life I can control
Wait for it
Wait for it
Wait for it
Wait for it
I am inimitable
I am an original
And if there's a reason I'm still alive
When so many have died
Then I'm willin' toâ€™”
I'm willing to
Work, work!
Angelica!
Work, work!
Eliza!
And Peggyâ€™”
Look around, at how lucky we are to be alive right now!
History is happening in Manhattan and we just happen to be
In the greatest city
In the greatest city in the world!The world turned upside down
The world turned upside down
The world turned upside down

The world turned upside down Yeah you'll blow us all away Oceans rise, empires fall

We have seen each other through it all

And when push comes to shove

I will send a fully armed battalion to remind you of my love!

Da da da dat da dat da da da ya da

Da da dat dat da da ya da! No one else was in

The room where it happened

The room where it happened

The room where it happened

No one else was in

The room where it happened

The room where it happened

The room where it happened

No one really knows how the game is played

The art of the trade

How the sausage gets made

We just assume that it happens

But no one else is in the room where it happens We are outgunned (What?)

Outmanned (What?)

Outnumbered

Outplanned

We gotta make an all out stand

Ayo, I'm gonna need a right-hand man Hamilton!

Sir, he knows what to do in a trench

Ingenuitive and fluent in French, I meanâ€”

Hamilton!

Sir, you're gonna have to use him eventually

What's he gonna do on the bench? I meanâ€”

Hamilton!

No one has more resilience

Or matches my practical tactical brillianceâ€”

Hamilton!

You wanna fight for your land back?

Hamilton!

I need my right hand man back!

Uh, get ya right hand man back

You know you gotta get ya right hand man back

I mean you gotta put some thought into the letter but the sooner the better

To get your right hand man back! It must be nice, it must be nice

To have Washington on your side

It must be nice, it must be nice

To have Washington on your side

Look back at the Bill of Rights (Which I wrote)

The ink hasn't dried

It must be nice, it must be nice

To have Washington on your sideâ€”
Somebody has to stand up for the South!
Somebody has to stand up to his mouth!
If there's a fire you're trying to douse
You can't put it out from inside the house
I'm in the cabinet, I am complicit in
Watching him grabbin' at power and kiss it
If Washington isn't gon' listen
To disciplined dissidents, this is the difference:
This kid is out
In New York you can be a new man
How do you write like you're running out of time?
Write day and night like you're running out of time?
Ev'ry day you fight like you're running out of time
Like you're running out of time
Are you running out of time?
Let me tell you what I wish I'd known
When I was young and dreamed of glory
You have no control
Who lives, who dies, who tells your story
I know that we can win
I know that greatness lies in you
But remember from here on in
History has its eyes on you (Whoa...) And I am not throwing away my shot
I am not throwing away my shot
Hey yo, I'm just like my country
I'm young, scrappy and hungry
And I'm not throwing away my shot
We gonna rise up, time to take a shot (Not throwing away my shot)
We gonna rise up, time to take a shot (Not throwing away my shot)
We're gonna rise up, rise up! (It's time to take a shot!)
Rise up, rise up!
And I am not throwing away my
Not throwing away my shot
There's a million things I haven't done
But just you wait (Just wait)
What's your name, man?
Alexander (Hamilton)
Alexander (Hamilton)
Alexander (Hamilton)
Alexander
