Reach for Love

Ollabelle

Lord, above can't you hear me calling?
My world around me
Seems to keep falling down
One more time aroundMy feet are tired, soul is broken
Things I believed in
Were only smokin' mirrors
Now I'm left with tearsBut when I reach for love
Baby, there it goesOnce was a thief, once was a drifter
Every road I've chosen
Seems to keep shiftin' around
Promise in a golden crownBut when I reach for love
Baby, there it goesCome with me, stay with me
I don't know
Where we're going to
Be the love I can hold onDid my time, paid my dues
Followed that river
Straight on home to you
And love came rollin' throughWhen I reach for love
Baby, there it goes
When I reach for love
Baby, there it goesBut when I reach for love
Baby, there it goes, there it goes
There it goes
There it goes
