

The Letting Go

Melissa Etheridge

I came here to let you know
The letting go has taken place
I have held the winter's son
Become one set my pace
Isn't that what we wanted all along
Freedom like a stone, maybe we were wrong
But I can say goodbye
Now that the passion's died
Still it comes so slow
The letting go
Piece by piece I take apart
This complicated heart and I hope to find

Something I can prove is real
I can feel is truth, I can say is mine
That's all I ever wanted to be
The closer that I've got, the further I could see
But when lovers change
And the night feels strange
We choose our road
The letting go
I came here to let you know
The letting go has taken place
