

Let Freedom Ring

The Nightwatchman

There's a man homeless and hungry
There's a wind that's hard and biting
 There's a song in need of singing
There's a fuse in need of lightAnd it's no secret, the day is coming
 And it's a day I hope to see
 But if they ask, if they ask you, brother
Who told you that? You didn't hear it from meLet freedom ring
 Let freedom ring
 Let freedom ring
Let freedom ringThere's a book with seven seals
 There's a beast with seven heads
 There's seven angels on seven horses
There's seven vials with seven plaguesSo if you hear, if you hear a knocking
 On that door just let it be
 But if they ask, if they ask you, brother
Who told you that? You didn't hear it from meLet freedom ring
 Let freedom ring
 Let freedom ring
Let freedom ringWhere the righteous, where the righteous stood
 Where the righteous, where the righteous fell
 There's a voice soft and whispering
Coming from the bottom of the wellAnd I tried hard to remember
 To remember what that voice said
 Over and over, over and over
I repeated those words inside my headLet freedom ring
 Let freedom ring
 Let freedom ring
 Let freedom ring
 Let freedom ring
Let freedom ringAnd if they ask, if they ask you, brother
 Who told you that? Tell them it was me, yup
