

# Rock Your Candie's

## Fifth Harmony

Beep beep cruise the boys in the ride  
Had to stop them don't want to just walk on by  
Got me feeling so right  
I can stay up all night  
Looking sweet, sweet in my candie's today  
Ad there's nobody keeping up with my shoe game Now I'm calling all my girls  
Getting ready for the turn up  
Sing it, fifth harmony All my ladies stand up  
All my ladies stand up  
Rock your candie's  
All my ladies stand up  
All my ladies stand up  
In your candie's  
All my ladies stand up  
All my ladies stand up  
And rock your candie's  
All my ladies stand up  
All my ladies stand up  
In your candie's If I like it then I gotta get another  
You girls got it in every color  
Got the dress, purse, craft skirts  
Got on the whole crew on flick  
I keep the new cute tops, tight jean  
But I'm a candie's pump girl low key  
If I tell you that I'm shopping  
You know where to come find me
