

# Lay Your Body Down

## Poison

I've spent my life waiting  
For that famous final scene  
I believe the one  
When she falls in love with me  
As for you, you've been fakin' your smile  
Fillin' your time on small talk, cheap wine  
Knowing in your heart there was someplace  
That you'd rather be  
So right or wrong I wrote you this song  
To tell you how I feel, don't put up no fight  
You just turn off the lights  
Walk over here to me  
And lay your body down on me  
Down on me, tonight, oh yeah  
Oh, let your tears fall down on me  
Down on me, tonight, oh yeah  
As for me I've lied to, denied to, fight with  
And tried to apologize for all my ways  
To all the women yeah they're fool enough  
To fall in love with me  
You played your role like a movie  
Got your lines for who is, who was, who would be  
Somehow you lost track  
While real love slipped away, yeah  
  
So for tonight, just turn off the lights  
And let those real feelings show  
There's no wrong or right but until you try  
You're never gonna know  
And lay your body down on me  
Down on me, tonight, oh yeah  
Oh, let your tears fall down on me  
Down on me, tonight, yeah, yeah  
Before you was mine I was so lonely  
Ain't it a shame  
Heart must feel pain  
Before you can get back on your feet again  
So let's draw the blinds, forget wasted time  
And let them old demons die

Take a hold of my hand then you'll understand  
Why love's worth one more try  
And lay your body down on me  
Down on me, tonight, oh yeah  
Oh, let your tears fall down on me  
Down on me, tonight, oh yeah  
Lay your love, lay it down, down on me  
Down on me
