

Changing All Those Changes

Buddy Holly

I should have reconsidered all those things I said I'd do
so now I'm changing all those changes that I made when
I left you
Sweetheart I'm changing all those changes that I made when I left you
because I made those changes when I
thought you were untrue
But now you're gone - I've found I'm wrong
there's nothing I can do that I made when I left you
except to change up all those changes
I didn't stop to think - I just left without a care
and know I know you're
gone and I can't find you anywhere
I should have reconsidered all those things I said I'd do
so now I'm changing all those changes
that I made when I left you
