

# Halfsize Girl

## The Briefs

oh oh oh ohprom baby at the neighbors last night  
i think you smoke a simulator  
your slow but you've been doin real fine  
your little twit he will agree not stupid not quite a quite a retard  
maybe i just see what you want me too  
you're a loser and you know it  
i had to show you where to pee halfsized girl  
your the halfsized girl  
halfsized girl  
your the halfsized girl but you're living in a full sized world i was creepin and a creepin in a shadows  
i could care if i run into you  
you kinda smell ?  
? your feminine hygien halfsized girl  
your the halfsized girl  
halfsized girl  
your the halfsized girl but you're living in a full sized world get short got a taste for certain diviant behaviors  
you piss all over social graces  
i gotta shove you in a box to take you with me  
across a terrible city gonna treat you like a cheap star sweetheart  
your pretty face could break a heart or two  
your the ? i know what ?  
? halfsized girl  
your the halfsized girl  
halfsized girl  
your the halfsized girl  
halfsized girl  
your the halfsized girl but you're livin in a halfsized girl
