So Amazing

Juliette and the Licks

Oh, it's so amazing
When you're feeling strong
It's so amazing, yeahI hear a lot of words being thrown around
Some of them are good dome don't make a sound
Feed the fight, fight the right, don't you let it end
I'll make you feel so alive my friendIt's so amazing
When you're feeling strong, so amazing, yeah
It's so amazing
Don't you get me wrong, so amazing, yeahI'll take you high, I'll take you low, I'll think the open door
What you need is something to feed, don't tell me no
I'm gonna give you some good, good, good loving
I'll make you feel so alive my friendIt's so amazing
When you're feeling strong, so amazing, yeah
It's so amazing
Don't you get me wrong, so amazing, yeahI hear a lot of words being thrown around
Some of them are good, dome don't make a sound
Feed the fight, fight the right, don't you let it end
I'll make you feel so alive my friendIt's so amazing
When you're feeling strong, so amazing, yeah
It's so amazing
Don't you get me wrong, so amazing, yeahIt's so amazing, so amazing
It's so amazing, yeah yeah yeah
It's so amazing, you're so amazing
So amazing, yeah, yeah, yeah
