

The Wanderer

Donna Summer

Woke up this morning
Dragged myself across the bed
Alice went to wonderland
But I stayed home instead
I started feeling bad
'Cause I was left behind
'Cause I'm a wanderer
Oh yes, I'm a wandererShe climbed right through the mirror
Oh that really blew my mind
I think I'll follow through her rhythm
And her rhyme
I know I'm ready now
It's just a little time
'Cause I'm a wanderer
I'm a wanderer'Cause I'm a wanderer
I travel every place
'Cause I'm a wanderer
From here to outer space
'Cause I'm a wanderer
Got no time
'Cause I'm a wanderer
Just a wandererSlipped down the back stair
On my toes
Then out the door
They didn't hear
Now they won't
See me anymore
'Cause I can't take
That nine to five life
It's a bore
'Cause I'm a wanderer
Just a wandererAnd so it's up and out
And on and off the road
Won't have no troubles
'Cause the whole world
Is my home
No need to worry
'Cause I seldom am alone
'Cause I'm wanderer

I'm a wanderer 'Cause I'm a wanderer
I travel every place
'Cause I'm a wanderer
From here to outer space
'Cause I'm a wanderer
Got no time
'Cause I'm a wanderer
Just a wanderer 'Cause I'm a wanderer
Just a wanderer Now you may see me
Any time and any place
And you may know me
From the same look
On your face
And I don't know if I could
Change your frame of mind
'Cause I'm a wanderer
Just a wanderer 'Cause I'm a wanderer
I travel every place
'Cause I'm a wanderer
From here to outer space
'Cause I'm a wanderer
Got no time
'Cause I'm a wanderer
'Cause I'm a wanderer
'Cause I'm a wanderer
'Cause I'm a wanderer
I travel every place
'Cause I'm a wanderer
From here to outer space
'Cause I'm a wanderer
Got no time
'Cause I'm a wanderer
I travel every place
'Cause I'm a wanderer
From here to outer space
'Cause I'm a wanderer
Got no time
