

# Foiled Again

## Eve 6

Sitting up once again...In my bedroom Wish I may wish I might...In my bedroom Have this wish I wish tonight...In my bedroom Shaking hand holds ugly head...In my bedroom At night when you turn out the light, think of me, smile and feel all right [Chorus:] Are you lying wide awake?...In your bedroom Are you trying to fall asleep?...In your bedroom If you were you'd wish those thoughts would leave you...In your bedroom And when you lay your head down to sleep, may I be the one who fills your dreams... 'cause your not thinking about me...In your bedroom [Chorus:] At night when you turn out the light, you wonder what it was you thought you liked. And you ask yourself what did you see, In an idle hollow fool like me I'm not the one who fills my dreams.....
