I know a lot, but there's some things I dont know  
Don't know no bitch that I can't hit, don't know no chick that say no  
Don't know no chips that I can't get, don't know no whip I can't own  
Shit, I know a lot, but there's some things I dont know  
Don't know no ugly bitches  
Don't know no broke niggas (Don't know no broke niggas)  
Don't know no snitch niggas  
Don't know no bitch niggas (Don't know no bitch niggas)  
There's some things I don't know Don't know nobody leaning harder, Phantom bought while out in Florida  
Condo out in Georgia, my little daughter died in this water  
Don't know nobody who ain't retarded

Ain't being searched by TSA, private jets we finna board I know a lot, but there's some things I dont know  
Don't know no bitch that I can't hit, don't know no chick that say no  
Don't know no chips that I can't get, don't know no whip I can't own  
Shit, I know a lot, but there's some things I dont know  
Don't know no ugly bitches (Don't know no ugly bitches)  
Don't know no broke niggas (Don't know no broke niggas)  
Don't know no snitch niggas (Don't know no snitch niggas)
