

I Feel Good

Mary J. Blige

Steppin' out tonight with my people
Everybody's fly
Watch me now, my dress, it gets attention
Whenever I walk by They say, "Ooh, she walks around like she's someone important
Like she owns the world"
Catchin' eyes of jealous and you haters
But respect from all my girls I don't know what it is
But it's got me flyin' and I like it
I don't know what it is
But I'm alright and the best way to describe it I feel good like the moon is shinin' just for me
Tonight I'm fly as I can be
Don't you try to bring me down, though
It's not like you could I feel too damn good
Say, ooh, ooh
I feel too damn good
Say, ooh, ooh Tippin' in my heels with such swagger
Fellas, how are you?
Debonaire, sexy with so much charm
Yeah, I'm talkin' to you So let's go, let me make you smile with my charisma
Lead you to the floor
Let's dance like we know everybody's watchin'
'Cause that's what we're here for I feel good like the moon is shinin' just for me
Tonight I'm fly as I can be
Don't you try to bring me down, though
It's not like you could I feel too damn good
Say, ooh, ooh
I feel too damn good
Say, ooh, ooh Back off of me, that negativity
Don't wanna hear what you say
I'm gonna dance away my drama
So you best get out my way I feel good like the moon is shinin' just for me
Tonight I'm fly as I can be
Don't you try to bring me down, though
It's not like you could I feel good like the moon is shinin' just for me
Tonight I'm fly as I can be
Don't you try to bring me down, though
It's not like you could I feel too damn good
Say, ooh, ooh
I feel too damn good

Say, ooh, ooh
