

# The Wind Beneath My Wings

[Kenny Rogers](#)

It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine, that's your way  
You always walked a step behind  
So I was the one with all the glory  
While you were the one with all the strength.  
A beautiful face without a name, for so long  
A beautiful smile to hide the pain Did you ever know that you're my hero  
And everything I would like to be  
If I can fly higher than an eagle  
You are the wind beneath my wings  
It might have appeared to go unnoticed  
but I've got it all here in my heart  
I want you to know I know the truth  
Of course I know it  
I would be nothing without you Fly, fly, fly away  
You let me fly so high  
Oh, fly, fly  
So high against the sky  
So high I almost touch the sky  
Thank you, thank you, thank God for you  
The wind beneath my wings
