Blue Feeling

The Jaguars

Sit here and wonder
Why am I so blue
Is it because
I'm still in love with you?Blue, blue feeling
Got me down today
Blue, blue feeling
My baby's gone awayNow that she's gone
I don't know what I'll do
I guess I'll have to find
Find somebody newBlue, blue feeling
Got me down today
Blue, blue feeling
My baby's gone awayBaby please don't leave me
Oh don't leave meNow that she's gone
I'm feeling kind of blue
I guess I'll have to find
Find somebody newBlue, blue feeling
Got me down today
Blue, blue feeling
My baby's gone awayWell, baby please don't leave me
Baby please don't go
Honey child don't leave me now
Baby please, baby please
