

Diamond Studded Bumble Bee

Guttermouth

mt. rushmore is my favorite monument
the goldsteer is a gorgeous restaurant
golden tan and a latin accent
cowboy boots and cologne
what is this a gift for me?
a gorgeous piece of jewelry
a diamond studded bumble bee
it looks good on you or me
i love the way it looks on mr. t
i was a pirate in a former life
miners and piano players
what is this gift for me?
a gorgeous piece of jewelry
a diamond studded bumble bee
it looks good on you or me
no -- no-no-no-no-no
it goes well with a sequined dress
and accentuates my hairy chest
i love carrots not in stew
holiday in africa
no, i'm a jewelry lover
