A Stranger In My Arms

Patsy Cline

Though you try you can't conceal it
Love has brought us only storms
I can see your eyes revealin'
You're a stranger in my arms
(You're a stranger in my arms)
Say goodbye to our romancing
We have lost the flame that warms
Though I hold you while we're dancing
You're a stranger in my arms
(You're a stranger in my arms)
Every story has an ending
This is where our story ends
Please don't hurt me by pretending
For lovers never can be friends
Through the years your love will haunt me
And I'll dream about your arms
Still I know you'll never want me
You're a stranger in my arms
(You're a stranger in my arms)
Every story has an ending
This is where our story ends
Please don't hurt me by pretending
For lovers never can be friends
Through the years your love will haunt me
And I'll dream about your arms
Still I know you'll never want me
You're a stranger in my arms
(You're a stranger in my arms)
You're a stranger in my arms
(You're a stranger in my arms)
