Move It Like This

Baha Men

Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon ladies rock the party, shake your body everybody
C'mon everybody
Let's move it all night
Gonna take it back to the old school
Can you feel the vibe yeah
Just dance to the rhythm and let me
See ya wind your waistline
Jump back and the do The Twist
And the Electric Slide, yeah move it man
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon fellas rock the party, shake your body everybody
Can anyone do the Double Bump?
Like back in the day, yeah
We thought we'd bring it to ya
Baha Men keep it groovin', yeah yeah
Well, I can see everybody on the floor
Doing The Running Man
Do the Mash Potato
Or walk the Philly Dog if you can, yeah move it man
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that

Can you move it like this? I can shake it like that
C'mon y'all let's rock the party, shake your body everybody
Remember back in the day
When we used to dance The Boogaloo
Everybody used to rock the beat
Solid gold kickin' up too
And everybody rock together
With the DJ when he plays
Smooth music is kickin' clippin'
We rush back and we keep dippin'
C'mon baby let's rock let's rock
We gonna get up on the dance floor

And do the Pee We Herman
So shake it up and do The Bus Stop
And do The Robot and baby do the rock yeah move it man
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon y'all let's rock the party, shake your body everybody
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
Can you move it like this? I can shake it like that
C'mon y'all let's rock the party, shake your body everybody
