Everything's Changing (feat. Andrew McMahon)

Stacy Clark

Instead of crossing paths or colliding
I feel the time has passed
The tide is coming in
On the other side the grass looks greener
Out past the breakers, the water gets deeperEverything is changing, but I feel the sameWe go round and round
We start dancing and we all fall down, we take our chances
Sometimes giving up what we love the most
Sometimes loving means to let someone go
Everything is changing, but I feel the same
Everything is changing, but I feel the same
