Fancy Dancer

The Commodores

Have you found yourself in love before?
Tell me ain't it a different kind of thing
So much lovin' such a real good feelin' child
The kind of feelin' good lovin' brings, yeaWith your head on my shoulder
My head's a spinnin' round and around yea
I hear the sound of sweet funky music
Oh even when there ain't no sound yeaVisions of you my love dancin' in my head
The star in my life girlOnly one thing can be said that you're my
Fancy dancer yea
(Fancy dancer)
You're my fancy dancer yea
(Fancy dancer)
You're my fancy dancer yea, yea
(Fancy dancer)
You're my fancy dancer yea
(Ooh ahh)
You're the only thing on my mind
You fancy dancer aou haLook here, the way you move is such a freaky thrill
Baby, it's the way you do your thing
(Through me baby)
Ha, I love the way you twist and turn your body girl
You're like a puppet on a string, yeaShake it baby, shake it baby
Just like a fox strollin' down the block in L.A. oh
Drive me crazy sexy ladyYou're so bad there's only one thing I can say yea
That you're my
Fancy dancer yea
